

Notification from City of Joondalup

The City advises that the pedestrian footbridge at Sir James McCusker Park, Iluka, near Moonflight Crescent, will be temporarily closed while the City undertakes maintenance.

The footbridge will be closed to the public for the duration of the works, which will include:

- Demolish and rebuild four limestone pillars
- Removal and relaying the hob running along the deck
- Removal and reinstallation of the aluminium balustrade
- Temporarily fencing for duration of works

Work is scheduled to commence on 4 August 2025 and are expected to be completed by 15 August 2025. Please note, however, that due to the changing nature of the weather, supply chain and resourcing issues may result in project delivery times being outside the planned dates.

The City apologises for any inconvenience these works may cause; however, it looks forward to providing infrastructure to improve the amenity of the space for users.

Should you require any further information regarding this matter, please contact the City's Customer Care on 9400 4000 or email info@joondalup.wa.gov.au
